THE ENTREPRENEUR'S DESTINATION

We at Polaris Al-Zamil Industrial Park, strongly believe in the necessity of an inclusive approach to new entrepreneurs and small medium sized enterprises in order to make them an active part of the new industrial wave which sets the motto "Proudly Made in Egypt".

BOSLA aims to support this cause by providing ready units that can be used as factory or warehouses. Placed in an integrated industrial park as a stand-alone compound, the units loading dock, crane preparation, office spaces and supporting service.

Everything essential have been thought of for investors in **BOSLA** to provide them opportunity to develop their businesses into global brands of future.
